MEDIA RELEASE

NEW APPOINTMENT AT NOVARE ACTUARIES AND CONSULTANTS

Novare Actuaries and Consultants has announced the appointment of **David Maetla (pictured)** as Senior Fund Manager. David joins Novare with 20 years experience in the investment consulting field.

Novare group is a licensed financial services provider specialising in implemented actuarial consulting and investment solutions.

Most recently an account executive at Omigsa where he was responsible for client services and new business, David has extensive experience as an investment consultant to retirement funds and medical aid schemes, as well as in asset management, industry research and transition management.

Johan Henn, Chief Executive of Novare Actuaries and Consultants, commented: "We're fortunate to have someone of David's calibre as a member of the highly regarded Novare team. His experience in managing the investment needs of large clients enhances our ability to serve a growing customer base in the areas of investment performance and liability-driven-investment solutions."
